Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

1. On October 23, 2003, December 28, 2004, October 07, 2005, May 02, 2006 and October 19, 2006, small entity assertions were filed in this application/patent in connection with the payment of the filing fee, terminal disclaimer, request for continued examination, additional claims, additional independent claims and issue fee.
2. These assertions of small entity status in this application/patent and the payment of fee(s) as a small entity were made in good faith.
3. It has since been alleged by a third party that such status as a small entity was improper. The assignee has undertaken an investigation with respect to the proper entity status and maintains that this application/patent should be entitled to small entity status. However, in an abundance of caution, the assignee has decided to follow the entity status correction procedures of 37 C.F.R. § 1.28(c) and pay the deficiency as if the assignee was a large entity when such fees were paid.

4. Below is an itemization of the fees owed.
